

THE WARRIOR WRAP: SEPTEMBER 2025

STRONG STARTS & STEADY STEPS IN FAITH

THE WARRIOR WORD

As sick season approaches, please help us keep our classrooms healthy. Children should remain home until they are fully recovered. This means being fever-free for at least 24 hours without fever-reducing medicine and waiting at least 24 hours after stomach flu symptoms stopped before returning to school. Following this strict 24-hour rule helps protect all of our students and staff.

Thank you for your support!

WARRIOR WORK

Our students filled the library hallway with words of encouragement and affirmations!

Each message is a beautiful reminder of the kindness, faith, and care that lives in their hearts.

These uplifting notes not only inspire classmates but also reflect the love and guidance our teachers pour into them each day.

VIRTUE OF THE MONTH

CHARITY

LOVING GOD & YOUR NEIGHBOR

HAPPY BIRTHDAY
